

Parish Camp 2019

Buckland Monachorum – Milton Combe – Crapstone

**Saturday 20th July to
Friday 26th July 2019**

A holiday for everyone

We invite you to join us at our church family camp this year; a low cost holiday for all-ages, offering a great opportunity to experience friendship and sharing in a Christian context.

Good facilities

Parish Camp is held at Stoke Fleming (near Dartmouth) in a beautiful location overlooking the sea. It has a permanent kitchen, toilets and shower blocks and during the summer a large marquee for meals and meetings.

Days free to do what you want

A typical day at camp starts with breakfast followed by a short morning session (notices, a 5 minute thought for the day, and songs). You're then furnished with a packed lunch, leaving most of the day free for you to spend as you would like until meeting again for the evening meal. Blackpool Sands, a privately run beach, is only about ¼ mile away, and many people choose to spend time there, although there are numerous other attractions in the area.

Great times of fellowship

Each evening there is a time of worship, teaching and ministry led by our guest speaker. The teaching builds throughout the week, ending in a time of celebration on the Friday morning. There is a programme of activities for the children and young people which runs alongside.

**Faith!
Fun!
Friends!
Food!**

A low-cost holiday

Parish Camp costs from **£99 per adult for the whole week including all food**. There are also significant discounts for young people and children (under 2's are free). See the **Booking Form** for full details of the discounts and daily rates.

If you would like to come but cannot afford it, please speak to Rachel Perry or Liz Middlebrook as funds have been put by for this.

Flexible to your needs

There are tents available on site if you do not have your own. Not able to camp? Then why not try one of the local B&B establishments? If you cannot stay all week, perhaps you might like to pop over for a day or two, or just visit for the day.

Why not give Parish Camp a try this year?
